GOSPEL CONVERSATIONS TRAINING Grace Baptist Church March 7, 2020

About this Training

Come, be equipped with biblical principles to make disciples who make disciples as you learn to equip others yourself. Join these 4Fields of Kingdom growth practitioners for a training on how to engage the lost around us through prayer and gospel conversations until there is #NoPlaceLeft for the gospel to go.

9 out of 10 Christians struggle to share Jesus with those we know that are far from God. Do you?

If so, we will identify and address some of the most common barriers that keep us from regularly sharing our faith and engaging in making disciples. This will help you be equipped and will provide practice for all that attend.
