LIFE GROUPS

Life Groups gather together weekly to enable members and attendees of our church to **CONNECT** with one another and build relationships, **REFLECT** on the sermon for the week to explore and strategize how to live in response to God's Word for us, and **PROTECT** one another as we pray for and help others in our group to walk with Christ.

Each Life Group should consist of no more than 16 participants (12 for men's or women's groups). Leaders may recruit their own group members to reach this group size. However, each group is encouraged to be open to new participants during the RE-GROUP sign-up period that will occur before each trimester begins so long as they have not yet reached a maximum capacity. And every group should have a heartbeat for sending existing members off to start new Life Groups as the need arises.
