NVF- Family News

OCTOBER 2026

While Slovenia is known for its natural beauty and rich Christian heritage, many people today have little connection to an active faith in Christ, creating a great need for the gospel. During this recent vision trip, Pastor Jeremy & Pastor Avery were encouraged to see God at work through IMB missionaries, local pastors, church plants, and future church leaders who are faithfully sharing Christ throughout the country. One highlight was visiting a thriving church in Maribor led by Pastor Boštjan, where believers from multiple generations and backgrounds are growing together and reaching their community through creative outreaches, including LEGO Bible story events. Please join us in praying for the churches of Slovenia, for the spiritual needs of its people, and for God to raise up more leaders who will plant gospel-centered churches across the region.
